

END USER LICENSE AGREEMENT WEBFONT SELFHOSTING LICENSE

This License Agreement (hereinafter “Agreement”) is a legal agreement between Milieu Grotesque (hereinafter “Milieu Grotesque”) and the legal entity specified in the offer and invoice of Milieu Grotesque (“Licensee”). It is applicable to the software (hereinafter “Font Software”) that is specified in said offer and invoice.

By conducting the payment according to Milieu Grotesque’s invoice or by downloading and/or installing Milieu Grotesque font software (“Font Software”), the Licensee agrees to the following terms of this License Agreement.

1. Definitions

“Font Software” means coded software that generates typeface designs when used with the appropriate hard- and software plus any and all other data including documentation provided with such software. “Pageview” is one request for the viewing of a page of a website published on the licensed primary domain.

2. Scope of License

Licensor and Licensee agree that the Font Software is being licensed by Milieu Grotesque to Licensee for worldwide use pursuant to the terms and conditions set forth in this Agreement and Milieu Grotesque’s royalty invoice attached as an exhibit (“Invoice”).

The Invoice, further specifying the scope of the licensed usage rights, forms an integral part to this Agreement. In case of discrepancies between this Agreement and the Invoice, the terms and conditions of the Invoice shall prevail.

2.1 Perpetual License

Unless otherwise provided for in this Agreement, the usage rights under this Agreement are granted perpetual and remunerated with a one-time license fee payment.

2.2. License Grant

Upon receipt of payment in accordance to the Invoice, Milieu Grotesque grants Licensee a non-exclusive License to make use of the Font Software at a website by installation on a server and/or Content Distribution Network (CDN) via the css@font-face declaration in the font file format provided by Milieu Grotesque: WOFF, Web Open Font Format. The Font Software may not be used in other formats or in connection to other transmitting techniques than provided by Milieu Grotesque and does not allow hotlinking and directory listing. Milieu Grotesque may provide other formats (e.g. EOT, TTF or SVG) upon request and additional remuneration).

The Webfont License usage rights of the Font Software are limited to the number of top- and second-level domains (e.g. www.milieugrotesque.com, www.milieugrotesque.ch) specified in the Invoice issued by Milieu Grotesque. While additional top- and second-level domains (e.g. www.milieugrotesque.info or www.mg.ch) need additional licensing, all sub-domains of a licensed second-level domain (e.g. shop.milieugrotesque.com) are included in the license. The Webfont License is limited to the amount of Pageviews specified on the Invoice. Licensee shall measure the average monthly traffic of its websites in Pageviews and provide this data within 10 working days upon first request to Licensor. If the average monthly Pageviews measured over the span of any 3 consecutive months exceeds the amount specified on the Invoice, Licensee agrees to automatically purchase a license update and to pay to Licensor the respective license fees set forth in the Invoice.

For the sake of clarity, the Webfont License does not grant a right to embed the Font Software in games, application software or a website that enables a user to create customs typesetting with the Font Software or in a file that the website saves or exports other than provided for under clause 2.4 hereafter.

2.3 No Sublicenses

Licensee is not entitled to provide to any third parties, including affiliated companies, distributors, agents and/or other subcontractors of Licensee, with a right to use the Font Software.

2.4 Third Party use

Licensee may grant the users of the website the right to use the Font Software in connection to products created on the website (e.g. PDF-Documents, business cards, postcards, etc.) to the extent that such use is limited to private (not commercial) purposes of the user and the created products are not defined by letterforms or artwork generated from such website (e.g. stamps, letterform based products, etc.). Users of the website must also be the end user of the product created with the website and may not use the products created with the website/ for logotypes.

2.5 Usage beyond the scope of this License

Any use of the Font Software beyond the usage rights granted hereunder needs additional licensing. In particular, but not concluding, the use of the Font Software to produce digital documents, digital products and to display typefaces on a printer or other output device, in Apps (any applications which can be installed on mobile operating systems) or eBooks, in editable documents to be distributed to third parties, for broadcasting (e.g. exhibition or display in cinemas, motion pictures, on television or on cable television), in a registered trademark, the embedding of the Font Software within hardware equipment or the operation system of an electronic device (e.g. an eBook reader, a mobile operating system, etc.) or software as well as any transmission of the font via the Internet. Please visit our website or contact us with specific information on such projects for more information and/or a price quote.

3. Font File Protection

Licensee is obliged to take appropriate actions to make sure the Font Software is only used within the scope of the license and not made available by any means to third parties other than approved herein (e.g. no copying, no hot-linking, no direct downloads from a website, no access to source code, no distribution with an App source code, etc.).

4. Back-up

Licensee may make back-up copies of the Font Software for archival purposes only, provided that Licensee retains exclusive custody and control over such copies. Any copy of the Font Software must contain the same copyright, trademark, and other proprietary information as the originals.

5. Modifications

Licensee agrees not to modify, adapt, translate, reverse engineer, decompile, disassemble, alter, or attempt to discover the source code of the Font Software except as explicitly provided for in this Agreement. If Licensee wants to make modifications to the Font Software, Licensee must obtain the prior written consent of Milieu Grotesque.

6. Ownership

The Font Software, and all copies thereof, is protected by copyright and/or trademark laws and international treaties and the exclusive property of Milieu Grotesque. Licensee does not gain ownership of the Font Software under this Agreement and may not extend any rights to any third parties except as expressly provided herein. The structure, organization, and the code of the Font Software are trade secrets of Milieu Grotesque and Licensee agrees to treat them as such.

7. Transfer of License

Except as expressly provided herein, Licensee may not give, hand out, rent or lease the Font Software or parts of it to third parties. Licensee may transfer all his rights to use the Font Software and Documentation to another person or legal entity, provided that a) the transferee accepts and agrees in writing (with copy to Milieu Grotesque) to be bound by all the terms and conditions of this Agreement, and b) Licensee immediately ceases to use the Font Software, destroys all copies of the Font Software and Documentation, including all copies stored in the memory of a hardware device. Without limiting the generality of the foregoing, Licensee agrees that he will not distribute or disseminate all or any part of the Font Software through any online service.

8. Warranties

The Font Software is non-returnable and non-refundable. Milieu Grotesque warrants that the Font Software will perform substantially in accordance with the Documentation for the ten (10) day period following Licensee's payment and receipt of the Font Software. To make a warranty claim, Licensee must return the Font Software to the location from which Licensee obtained it along with a copy of the sales receipt (Invoice) within such ten (10) day period. If the Font Software does not perform substantially in accordance with the Documentation, the entire and exclusive liability and remedy shall be limited to either, at Milieu Grotesque's option, the replacement of the Font Software or the refund of the License fee Licensee paid for the Font Software. Milieu Grotesque and its suppliers do not and cannot warrant the performance or results Licensee may obtain by using the Font Software or Documentation. The foregoing states Licensee's sole and exclusive remedies for Milieu Grotesque's or its suppliers' breach of warranty. Except for the foregoing limited warranty, Milieu Grotesque and its suppliers make no warranties express or implied, as to non-infringement of third party rights, merchantability, or fitness for any particular purpose. In no event will Milieu Grotesque or its suppliers be liable to Licensee for any consequential, direct or indirect, incidental or special damages, including any lost profits or lost savings, even if a Milieu Grotesque representative has been advised of the possibility of such damages, or for any claim by any third party. This warranty does not affect any claims Licensee might have against his retailer.

9. Indemnification

Licensee agrees to indemnify and hold Milieu Grotesque harmless from and against any claims or damage which may result from a breach of this Agreement.

10. Payment and Delivery

All payments are to be made in the currency and in accordance to the payment conditions set forth in the Invoice. As soon as the payment is credited to Milieu Grotesque, the font will be dispatched by email or download link.

11. Miscellaneous

This Agreement shall be governed by the laws of Switzerland, excluding any conflict of law rules. The United Nations Convention for International Sales of Goods (Vienna Convention) is not applicable to this Agreement and expressly excluded. Any dispute arising out of this Agreement shall exclusively be governed by the ordinary courts of Zurich, Switzerland. If any part of this Agreement is found to be void or unenforceable by any competent court, the validity of the balance of the Agreement shall not be affected thereby. The remaining parts of the Agreement shall remain valid and enforceable according to the Agreement's terms. Licensee agrees that the Font Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the applicable export law, or other governmental restrictions or regulations of this country. This Agreement may only be modified in writing signed by an authorized officer of Milieu Grotesque.
